# SACRA CESAREA MAIESTA

Quando mandar in luce questa mia opera sacra, ho preso ardire cercarli riconuero sotto l'ombra Augustissima del' Imperial protezione della Maiestà Vostra. la cui singular diuotione verso la Regina del Cielo m'ha indotto spender quel tempo che mi auanza dal seruitio di S. M. C. mio Clementissimo Signore in lode & honore di MARIA Vergine di cui V. M. porta insieme il nome, & immita con la vita i costumi; Giouando mi credere, che sia per agradire altr'e tanto, in veder publicare per beneficio commune le lodi della Santissima Madre quanto si compiace d' vdirle continuamente mentre si cantano con ogni deuota attentione. Degnisi per tanto la M. V. come humilissimamente ne la suplico, non misurando dalla piciolezza del mio talento la mia diuotione, accettar questo, per testimonio del' humilissima mia seruitù, e douuto riconoscimento de fauori riceuti da S. M. mentre con farle profundissima riuerenza le prego dal Cielo compira felicità.
